OVERVIEW

Explore the latest in the Moroccanoil Professional Haircolor Collection. Perfect for stylists and colorists who are new to Moroccanoil permanent and demi-permanent haircolor and lighteners, this class emphasizes product knowledge, consultation techniques, and a range of color and lightening services. You will leave with the confidence to recommend color services tailored to the specific needs of each individual client.

HANDS - ON

If you would like to experience the Moroccanoil hair color line and learn techniques that can be used behind the chair, we invite you to continue the day with us ! Our Artist will walk you through one of our latest collection looks and be there to answer any questions you have.
