

Live Your Art

LEARNING SERIES

ARTIST: Mirza Batanovic

STYLING & Finishing

SCULPT: *Long Hairdressing*

- Confidence to style hair up with ease
- A systematic approach to working smarter, not harder
- Braiding techniques to decrease service time and overuse of hot tools
- How to examine your guests' inspiration images so you can recreate a specific style
- The importance of a proper consultation and insight into product choices

Increase your confidence, speed and accuracy when it comes to designing and executing upswept hair. From organic, lived in looks to structured, classic styles, you'll master techniques that give you the creative freedom to design styles your guests will be proud to rock.

TAMRA SEGERT

NATIONAL TRAINER

Tamra started her career in 1978 after graduating from barbering school and dedicated herself to all disciplines of hair including master cutting, styling and hair color. Along her journey, Tamra gained a passion for advanced education and became an Educator for Eufora in 2007. She holds positions on the EuforaColor Team, Men's Barbering Team, and even trains new educators. As a salon owner, Tamra also holds a top spot on Eufora's Business Training Team and travels throughout North America sharing her wisdom and knowledge of the Eufora Systems. An accomplished and renowned business woman, Tamra's salon has been chosen Salon Today Magazine's Top 200 for 3 years in multiple categories.
