

DIMENSION

in Color

True luxury is never one-dimensional.

Every exceptional color tells a story—of depth, light, movement, and impeccable craftsmanship.

On November 2, step into an immersive experience where artistry and innovation converge. Dimension in Color is an exclusive showcase celebrating the elevated techniques, visionary talent, and refined beauty that define today's most sought-after color transformations.

Witness breathtaking live presentations, discover the newest innovations in luxury hair color, and be inspired by educators and artists who are shaping the future of the industry.

This is more than a hair show. It is a curated experience for salon professionals who believe education is an investment, artistry is everything, and excellence is the standard.

Join an exclusive community of stylists and salon owners who are passionate about creating unforgettable beauty—and delivering extraordinary experiences for every client who sits in their chair. Because true dimension isn't just seen. It's felt.

Yohayne Garcia

Salon Owner & Master Colorist

In 2007, She founded Nu Style Salon with a clear vision: to offer an exceptional salon experience centered around the highest quality natural products and expertise in the latest hair color trends. As a Master Colorist for Alfaparf Milano and an Ambassador for Masters of Balayage, she has traveled globally to teach other colorists about the science of hair color. Her work has been featured in prominent publications like Cosmopolitan, Modern Salon, BehindtheChair.com, and more.

Gabriel Ropi

National Master Colorist

Gabriel Ropi is an internationally recognized hairstylist, editorial artist, and National Master Colorist for Alfaparf Milano North America. With advanced training across Europe, experience at Fashion Week, and a career dedicated to educating professionals worldwide, Gabriel is known for transforming technical color mastery into modern luxury. As co-owner of 46 West Hair Studio, he brings the worlds of couture, editorial fashion, and exceptional salon artistry together behind the chair. For Gabriel, hair isn't simply a service—it's couture.
