All About COLOR

ARTIST: Eufora Style Team

1 DAY ONLY!

Don't miss your opportunity to join EuforaColor Development Manager, Joanne Rempel, as she shares the unlimited possibilities of EuforaColor. Attendees will:

- Discover how to design customized formulations for every guest
- Learn how to create amazing toners
- Understand the power and artistic flexibility of the entire EuforaColor brand

As artists, devoting time for inspiration is essential. Go on a journey to ignite your passion for conceptual and artistic design. Be empowered to think different as you explore your art.

JOANNE REMPEL

EUFORACOLOR DEVELOPMENT MANAGER,
ACADEMY INSTRUCTOR & NATIONAL TRAINER

Instructor Joanne received her cosmetology license in 1979 with a dream to contribute to the professional salon industry in a big way. She opened her first salon in 1983 and knew she had found a passion in leadership, mentoring and helping her stylists grow to become the best versions of themselves. This passion led her to Eufora in 2007, where she became an educator and has since been appointed as the Creative Director for EuforaColor.
