# CORE SHAPES

## Precision Cutting

Master the core system of classic British precision cutting with horizontal precision shapes, blunt lines, and graduation. These fundamentals form the foundation for creating exceptional haircut designs. The Precision Cutting Core Shapes Academy provides systematic artistry and skill advancement for all levels of stylists, from recent graduates to seasoned veterans. Immerse yourself in comprehensive theory, demonstrations, hands-on instruction, and business building strategies. Elevate your craft with precision—where tradition meets innovation.

**FOR: LICENSED STYLIST**
