## PRECISION Cutting

---

Eufora classic and on-trend women's cutting classes incorporate techniques taught in the Eufora Advanced Training Academy curriculum. Stylists learn contemporary, marketable cuts, and discover how to use Eufora products for exceptional results and perfect finish.

Join us for this look and learn style class showcasing one of the latest trends debuting soon in the upcoming collection from Eufora.

This class will also consist of a product knowledge portion, great for new and seasoned Eufora stylists!
