

SAFETY DATA SHEET

Issue Date: 12/4/2025

Version: 01

Section 1: Identification			
Manufacturer:	Vege Labs 412 W. Cypress Street, Glendale, CA 912014 1-818-956-5582 M-F: 9AM – 5PM Outside these hours, contact poison control in case of emergency	Product Name: Product Identifier: Product Type: Recommended Use:	Sham-Poo + Curt Clinic VL7-55-2 Finished Product/ Hair Shampoo Personal Care
Section 2: Hazard(s) Identification			
This product is not classified as hazardous under GHS/OSHA regulations and is exempt from OSHA's Hazard Communications Standard (29 CFR 1910.1200) when used as intended			
Classification:	Not Classified		
Signal Word	None		
Hazard Statement(s):	None		
Hazard Pictogram(s):	None		
Precautionary Statement(s):	Observe standard good hygiene practices If medical advice is needed, have product label at hand Keep out of reach of children		
Section 3: Composition / Information on Ingredients			
This product contains Non-Hazardous cosmetic ingredients in water-based formulation and has no hazardous ingredients exceeding regulatory thresholds. Exact chemical identity and concentrations are withheld as trade secret			
Section 4: First Aid Measures			
First aid measures for different exposure routes:			
Eyes:	Rinse cautiously with water. Remove contact lenses if easy. If irritation persists, seek medical attention		
Skin:	Generally non-irritating under normal use. If irritation occurs, rinse with soap water. If irritation persists, seek medical attention		
Inhalation:	Not anticipated under normal use. Move to fresh air if discomfort occurs		
Ingestion:	Rinse mouth, drink water if needed. Seek medical attention, if symptoms occur		
Notes to Physician:	Treat symptomatically		
Section 5: Fire Fighting Measures			
Suitable Extinguishing Media:	Water spray, Carbon Dioxide, Dry chemical, Alcohol-resistant foam		
Special Hazards:	No data available. Product generally not flammable		
Protective Equipment:	Full protective gear and MSHA/NIOSH-approved self-contained breathing apparatus (SCBA) in positive-pressure mode		
Section 6: Accidental Release Measures			
Personal Precautions:	None under normal use. Use standard protective measures		
Environmental Precautions:	Avoid large releases to waterways		
Methods for Cleanup:	Material may be slippery. Absorb with sand or inert material. Clean area with water or detergent and dispose in accordance with local/national regulations		
Section 7: Handling and Storage			
Handling:	Use as directed. Handle with proper personal hygiene practices and protect containers from physical damage		
Storage:	Keep containers closed to prevent contamination and store at room temperatures away from direct sunlight. Keep out of reach of children and pets		
Section 8: Exposure Controls/Personal Protection			
Exposure Limits			
Engineering Controls:	General room ventilation is adequate for normal handling		
Environmental Exposure Controls:	No information available		
Personal Protective Equipment			
Eye Protection:	None under normal use. Safety glasses recommended for industrial handling		
Skin Protection:	None under normal use. May cause skin irritation in sensitive individuals. Wear protective gloves for prolonged contact		
Respiratory Protection:	None under normal use		
Section 9: Physical and Chemical Properties			
Material Description			
Physical State at 25°C:	Yellow to Beige Viscous Gel	Appearance:	Viscous Gel
Odor:	Characteristic	Odor Threshold:	No data available
General Properties			
Melting/Freezing Point:	No data available	Boiling Point:	No data available
pH:	6.0-6.50	Viscosity (cps):	3,000-6,000 cps
Specific Gravity:	0.980-1.020	Solubility in Water:	Soluble
Decomposition Temperature:	NA		
Volatility			
Evaporation Rate:	No data available	Vapor Density:	No data available
Vapor Pressure:	No data available	VOC Content (%):	no data available
Flammability			
Flashpoint:	no data available	Upper Flammability/Explosion Limits:	No data available
Flammability:	non-flammable/flammable	Lower Flammability/Explosion Limits:	No data available
Autoignition Temperature:	No data available		
Environmental			
Partition Coefficient (n-octanol/water):	No data available		

Section 10: Stability and Reactivity	
Stability:	Stable under normal conditions
Reactivity:	Non-reactive under normal conditions
Incompatible Materials:	Strong Oxidizers
Hazardous Decomposition:	CO, CO2, and irritating fumes
Hazardous Reactions:	None under normal use
Conditions to Avoid:	Excess heat, open flames, direct sunlight
Section 11: Toxicological Information	
Toxicological data for this product have not been determined, however, it is considered safe under intended use. Animal testing is not performed	
Potential Routes of Exposure:	Skin/Eye. Ingestion not intended
Acute Effects:	No adverse effects expected. Possible Irritation in sensitive individuals
Skin Sensitization/Irritation:	No known effects
Eye irritation:	No known effects
Carcinogenicity:	No known effects
Mutagenicity:	No known effects
Reproductive Effects:	No known effects
Section 12: Ecological Information	
Ecotoxicity:	No data available. Not expected to be harmful
Persistence/Degradability:	No data available
Bioaccumulation Potential:	No data available
Mobility in Soil:	No data available
Section 13: Disposal Considerations	
Disposal Methods:	Minimize waste whenever possible. Recycle packaging or containers where facilities are available and dispose of contents in accordance with applicable regulations. If no hazardous ingredients are present, standard methods may be acceptable
Section 14: Transportation Information	
This product is not classified as a regulated material under applicable transportation regulations. No special shipping classification is required.	
Proper Shipping Name:	Not applicable
UN Number:	Not applicable
Hazard Class:	Not applicable
Packaging Group:	Not applicable
Section 15: Additional Regulatory Information	
<u>US Federal Regulations</u>	
FD&C Act:	This product is regulated by the Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic (FD&C) Act and is safe to use per directions on container, box or accompanying literature (where applicable)
California Proposition 65:	Not subject to warning labeling under California Proposition 65
U.S. State Right to Know (RTK) Regulations:	Not applicable for consumer use
VOC Content Regulations:	Complies with U.S. State and Federal regulations for VOC content in consumer products
SARA Title III Section 313:	Not applicable for consumer use
CERCLA:	Not applicable for consumer use
Clean Air Act (Hazardous Air Pollutants (HAPs)):	Not applicable for consumer use
Clean Water Act:	Not applicable for consumer use
<u>Chemical Inventories</u>	
U.S. Toxic Substances Act (TSCA):	Exempt from the inventory requirements
IFRA:	No data available
Section 16: Other Information	
Disclaimer:	The information in this Safety Data Sheet (SDS) is believed to be accurate as of the publication date. It is for informational purposes only and does not constitute a warranty or quality specification. We make no warranties, express or implied, and assume no liability for its use, reliance, or dissemination. This product is intended for consumer use only as directed on the label. The information applies solely to the specified material and may not be valid if used with other substances or processes. Users are responsible for compliance with safety regulations and for informing those handling or exposed to this product. This SDS complies with OSHA Hazard Communication Standard (29 CFR 1910.1200)

SAFETY DATA SHEET

Issue Date: 12/4/2025

Version: 01

Section 1: Identification			
Manufacturer:	Vege Labs 412 W. Cypress Street, Glendale, CA 912014 1-818-956-5582 M-F: 9AM – 5PM Outside these hours, contact poison control in case of emergency	Product Name: Product Identifier: Product Type: Recommended Use:	Deep Conditioning Mask+Curl Clinic VL7-58-2 Finished Product/ Hair Maks Personal Care
Section 2: Hazard(s) Identification			
This product is not classified as hazardous under GHS/OSHA regulations and is exempt from OSHA's Hazard Communications Standard (29 CFR 1910.1200) when used as intended			
Classification:	Not Classified		
Signal Word	None		
Hazard Statement(s):	None		
Hazard Pictogram(s):	None		
Precautionary Statement(s):	Observe standard good hygiene practices If medical advice is needed, have product label at hand Keep out of reach of children		
Section 3: Composition / Information on Ingredients			
This product contains Non-Hazardous cosmetic ingredients in water-based formulation and has no hazardous ingredients exceeding regulatory thresholds. Exact chemical identity and concentrations are withheld as trade secret			
Section 4: First Aid Measures			
First aid measures for different exposure routes:			
Eyes:	Rinse cautiously with water. Remove contact lenses if easy. If irritation persists, seek medical attention		
Skin:	Generally non-irritating under normal use. If irritation occurs, rinse with soap water. If irritation persists, seek medical attention		
Inhalation:	Not anticipated under normal use. Move to fresh air if discomfort occurs		
Ingestion:	Rinse mouth, drink water if needed. Seek medical attention, if symptoms occur		
Notes to Physician:	Treat symptomatically		
Section 5: Fire Fighting Measures			
Suitable Extinguishing Media:	Water spray, Carbon Dioxide, Dry chemical, Alcohol-resistant foam		
Special Hazards:	No data available. Product generally not flammable		
Protective Equipment:	Full protective gear and MSHA/NIOSH-approved self-contained breathing apparatus (SCBA) in positive-pressure mode		
Section 6: Accidental Release Measures			
Personal Precautions:	None under normal use. Use standard protective measures		
Environmental Precautions:	Avoid large releases to waterways		
Methods for Cleanup:	Material may be slippery. Absorb with sand or inert material. Clean area with water or detergent and dispose in accordance with local/national regulations		
Section 7: Handling and Storage			
Handling:	Use as directed. Handle with proper personal hygiene practices and protect containers from physical damage		
Storage:	Keep containers closed to prevent contamination and store at room temperatures away from direct sunlight. Keep out of reach of children and pets		
Section 8: Exposure Controls/Personal Protection			
Exposure Limits			
Engineering Controls:	General room ventilation is adequate for normal handling		
Environmental Exposure Controls:	No information available		
Personal Protective Equipment			
Eye Protection:	None under normal use. Safety glasses recommended for industrial handling		
Skin Protection:	None under normal use. May cause skin irritation in sensitive individuals. Wear protective gloves for prolonged contact		
Respiratory Protection:	None under normal use		
Section 9: Physical and Chemical Properties			
Material Description			
Physical State at 25°C:	Off White Cream	Appearance:	Thick Glossy Cream
Odor:	Characteristic	Odor Threshold:	No data available
General Properties			
Melting/Freezing Point:	No data available	Boiling Point:	No data available

Partition Coefficient (n-octanol/water):	No data available		

Section 10: Stability and Reactivity	
Stability:	Stable under normal conditions
Reactivity:	Non-reactive under normal conditions
Incompatible Materials:	Strong Oxidizers
Hazardous Decomposition:	CO, CO2, and irritating fumes
Hazardous Reactions:	None under normal use
Conditions to Avoid:	Excess heat, open flames, direct sunlight
Section 11: Toxicological Information	
Toxicological data for this product have not been determined, however, it is considered safe under intended use. Animal testing is not performed	
Potential Routes of Exposure:	Skin/Eye. Ingestion not intended
Acute Effects:	No adverse effects expected. Possible Irritation in sensitive individuals
Skin Sensitization/Irritation:	No known effects
Eye irritation:	No known effects
Carcinogenicity:	No known effects
Mutagenicity:	No known effects
Reproductive Effects:	No known effects
Section 12: Ecological Information	
Ecotoxicity:	No data available. Not expected to be harmful
Persistence/Degradability:	No data available
Bioaccumulation Potential:	No data available
Mobility in Soil:	No data available
Section 13: Disposal Considerations	
Disposal Methods:	Minimize waste whenever possible. Recycle packaging or containers where facilities are available and dispose of contents in accordance with applicable regulations. If no hazardous ingredients are present, standard methods may be acceptable
Section 14: Transportation Information	
This product is not classified as a regulated material under applicable transportation regulations. No special shipping classification is required.	
Proper Shipping Name:	Not applicable
UN Number:	Not applicable
Hazard Class:	Not applicable
Packaging Group:	Not applicable
Section 15: Additional Regulatory Information	
<u>US Federal Regulations</u>	
FD&C Act:	This product is regulated by the Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic (FD&C) Act and is safe to use per directions on container, box or accompanying literature (where applicable)
California Proposition 65:	Not subject to warning labeling under California Proposition 65
U.S. State Right to Know (RTK) Regulations:	Not applicable for consumer use
VOC Content Regulations:	Complies with U.S. State and Federal regulations for VOC content in consumer products
SARA Title III Section 313:	Not applicable for consumer use
CERCLA:	Not applicable for consumer use
Clean Air Act (Hazardous Air Pollutants (HAPs)):	Not applicable for consumer use
Clean Water Act:	Not applicable for consumer use
<u>Chemical Inventories</u>	
U.S. Toxic Substances Act (TSCA):	Exempt from the inventory requirements
IFRA:	No data available
Section 16: Other Information	
Disclaimer:	The information in this Safety Data Sheet (SDS) is believed to be accurate as of the publication date. It is for informational purposes only and does not constitute a warranty or quality specification. We make no warranties, express or implied, and assume no liability for its use, reliance, or dissemination. This product is intended for consumer use only as directed on the label. The information applies solely to the specified material and may not be valid if used with other substances or processes. Users are responsible for compliance with safety regulations and for informing those handling or exposed to this product. This SDS complies with OSHA Hazard Communication Standard (29 CFR 1910.1200)

SAFETY DATA SHEET

Issue Date: 12/4/2025

Version: 01

Section 1: Identification			
Manufacturer:	Vege Labs 412 W. Cypress Street, Glendale, CA 912014 1-818-956-5582 M-F: 9AM – 5PM Outside these hours, contact poison control in case of emergency	Product Name: Product Identifier: Product Type: Recommended Use:	Shampoo+ Curl Clinoc VL7-59-1 Finished Product/ Hair Shampoo Personal Care
Section 2: Hazard(s) Identification			
This product is not classified as hazardous under GHS/OSHA regulations and is exempt from OSHA's Hazard Communications Standard (29 CFR 1910.1200) when used as intended			
Classification:	Not Classified		
Signal Word	None		
Hazard Statement(s):	None		
Hazard Pictogram(s):	None		
Precautionary Statement(s):	Observe standard good hygiene practices If medical advice is needed, have product label at hand Keep out of reach of children		
Section 3: Composition / Information on Ingredients			
This product contains Non-Hazardous cosmetic ingredients in water-based formulation and has no hazardous ingredients exceeding regulatory thresholds. Exact chemical identity and concentrations are withheld as trade secret			
Section 4: First Aid Measures			
First aid measures for different exposure routes:			
Eyes:	Rinse cautiously with water. Remove contact lenses if easy. If irritation persists, seek medical attention		
Skin:	Generally non-irritating under normal use. If irritation occurs, rinse with soap water. If irritation persists, seek medical attention		
Inhalation:	Not anticipated under normal use. Move to fresh air if discomfort occurs		
Ingestion:	Rinse mouth, drink water if needed. Seek medical attention, if symptoms occur		
Notes to Physician:	Treat symptomatically		
Section 5: Fire Fighting Measures			
Suitable Extinguishing Media:	Water spray, Carbon Dioxide, Dry chemical, Alcohol-resistant foam		
Special Hazards:	No data available. Product generally not flammable		
Protective Equipment:	Full protective gear and MSHA/NIOSH-approved self-contained breathing apparatus (SCBA) in positive-pressure mode		
Section 6: Accidental Release Measures			
Personal Precautions:	None under normal use. Use standard protective measures		
Environmental Precautions:	Avoid large releases to waterways		
Methods for Cleanup:	Material may be slippery. Absorb with sand or inert material. Clean area with water or detergent and dispose in accordance with local/national regulations		
Section 7: Handling and Storage			
Handling:	Use as directed. Handle with proper personal hygiene practices and protect containers from physical damage		
Storage:	Keep containers closed to prevent contamination and store at room temperatures away from direct sunlight. Keep out of reach of children and pets		
Section 8: Exposure Controls/Personal Protection			
Exposure Limits			
Engineering Controls:	General room ventilation is adequate for normal handling		
Environmental Exposure Controls:	No information available		
Personal Protective Equipment			
Eye Protection:	None under normal use. Safety glasses recommended for industrial handling		
Skin Protection:	None under normal use. May cause skin irritation in sensitive individuals. Wear protective gloves for prolonged contact		
Respiratory Protection:	None under normal use		
Section 9: Physical and Chemical Properties			
Material Description			
Physical State at 25°C:	Yellow to Beige Gel	Appearance:	Viscous Gel
Odor:	Characteristic	Odor Threshold:	No data available
General Properties			
Melting/Freezing Point:	No data available	Boiling Point:	No data available
pH:	4.50-5.50	Viscosity (cps):	15,000-20,000 cps
Specific Gravity:	0.900-1.100	Solubility in Water:	Soluble
Decomposition Temperature:	NA		
Volatility			
Evaporation Rate:	No data available	Vapor Density:	No data available
Vapor Pressure:	No data available	VOC Content (%):	no data available
Flammability			
Flashpoint:	no data available	Upper Flammability/Explosion Limits:	No data available
Flammability:	non-flammable/flammable	Lower Flammability/Explosion Limits:	No data available
Autoignition Temperature:	No data available		
Environmental			
Partition Coefficient (n-octanol/water):	No data available		

Section 10: Stability and Reactivity	
Stability:	Stable under normal conditions
Reactivity:	Non-reactive under normal conditions
Incompatible Materials:	Strong Oxidizers
Hazardous Decomposition:	CO, CO2, and irritating fumes
Hazardous Reactions:	None under normal use
Conditions to Avoid:	Excess heat, open flames, direct sunlight
Section 11: Toxicological Information	
Toxicological data for this product have not been determined, however, it is considered safe under intended use. Animal testing is not performed	
Potential Routes of Exposure:	Skin/Eye. Ingestion not intended
Acute Effects:	No adverse effects expected. Possible Irritation in sensitive individuals
Skin Sensitization/Irritation:	No known effects
Eye irritation:	No known effects
Carcinogenicity:	No known effects
Mutagenicity:	No known effects
Reproductive Effects:	No known effects
Section 12: Ecological Information	
Ecotoxicity:	No data available. Not expected to be harmful
Persistence/Degradability:	No data available
Bioaccumulation Potential:	No data available
Mobility in Soil:	No data available
Section 13: Disposal Considerations	
Disposal Methods:	Minimize waste whenever possible. Recycle packaging or containers where facilities are available and dispose of contents in accordance with applicable regulations. If no hazardous ingredients are present, standard methods may be acceptable
Section 14: Transportation Information	
This product is not classified as a regulated material under applicable transportation regulations. No special shipping classification is required.	
Proper Shipping Name:	Not applicable
UN Number:	Not applicable
Hazard Class:	Not applicable
Packaging Group:	Not applicable
Section 15: Additional Regulatory Information	
<u>US Federal Regulations</u>	
FD&C Act:	This product is regulated by the Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic (FD&C) Act and is safe to use per directions on container, box or accompanying literature (where applicable)
California Proposition 65:	Not subject to warning labeling under California Proposition 65
U.S. State Right to Know (RTK) Regulations:	Not applicable for consumer use
VOC Content Regulations:	Complies with U.S. State and Federal regulations for VOC content in consumer products
SARA Title III Section 313:	Not applicable for consumer use
CERCLA:	Not applicable for consumer use
Clean Air Act (Hazardous Air Pollutants (HAPs)):	Not applicable for consumer use
Clean Water Act:	Not applicable for consumer use
<u>Chemical Inventories</u>	
U.S. Toxic Substances Act (TSCA):	Exempt from the inventory requirements
IFRA:	No data available
Section 16: Other Information
