Virtual Education

ALFAPARF MILANO MIXOLOGY • INSIDE THE FORMULA

Monday, November 2, 11AM EST

Inspired by the monthly Swatch Instagram posts, please join us for a virtual formulation class. In this interactive conversational class, you will learn all about formulating with Alfaparf Milano Professional. We will be sharing the monthly formulas, and diving into their inspiration. Whether you are new to the brand or a current user that wants to mix up your current formulas, this class is for you.

OFFICINA DEL COLORE

Monday, November 9, 11AM EST

Experience Alfaparf Milano Professional color Officina Del Colore the color workshop. These foundational courses cover the features, benefits and technical information of every product range in our color portfolio. The perfect introduction or refresher course. Stylists will gain the essential technical knowledge to be successful using Alfaparf Milano Professional color in the salon.

CRISTALLI & CARE: A SEMI DE LINO EXPERIENCE

Monday, November 9, 1PM EST

Learn the benefits and differences between treatment regimens. Most importantly HOW to diagnose the scalp and fiber to recommend the correct treatment plan for your client to maximize your bottom line per appointment.
