EST. 1960

## FEATURING

- a live technique look & learn
- a hands-in demo station
- free gifts
- food & drinks!

Come experience the all NEW PRAVANA Platinum Toners. These toners are designed for use on levels 9+ to create neutralized, natural blondes in as little as 5 minutes or to deposit tonality and dimension when processed up to 10 minutes. Come learn a fun and easy technique. Use the placement with any formulas you want for endless customization and creativity!
