

FOILED CASHMERE™

FOILS
Are Back!

ENHANCED DIMENSION

SOFT FINISH

CLASS DESCRIPTION

Foiled Cashmere is a modern take on '90s blinding, built on the signature 4x4 foiling method for maximum brightness, seamless dimension, and a soft, luxurious finish. Learn strategic multi-directional foil placement, elevated gradient and bespoke layered toning, and finishing techniques that bring the look to life. Create in-demand blondes that feel polished, touchable, and unmistakably current.
