

Not-So-Basic Buns and Ponytails

HANDS-ON CLASS

There's an art to making buns and ponytails sleek, flattering, and of-the-moment. In this class, you'll learn how to give perennial styles an up-grade with techniques for up-styling, creating a framework for customization to please even the most discerning clients. Learn eight go-to looks that we have designed to be customizable, so you can have the freedom to go beyond basic buns and ponytails. You'll be equipped with skills to top off the looks with next-level braiding techniques.
