EUFORA CUTTING CLASS

Hands On

Eufora's classic and on-trend cutting classes integrate techniques from the Eufora Advanced Training Academy curriculum. Stylists not only acquire contemporary and marketable cuts, but also uncover the art of infusing Eufora products for exceptional results. Demos are customizable to match the salons educational needs.

- Utilize precision scissor cutting techniques
- Understand line management to control shape and texture
- Learn a complete cut to use immediately behind the chair

PRECISION SCISSOR CUTTING •
CRAFTING SHAPE & TEXTURE • PREP,
STYLE, AND FINISHING TECHNIQUES
